## USS PAMPANITO OVERNIGHT PROGRAM

Thank you for choosing to participate in the USS *Pampanito* Overnight Program! We are confident your group will find this a fun and educational experience. To help you plan and manage your stay, we have prepared this manual containing important information about our program; please ensure that the Scout leader who will be attending the program receives this information as soon as possible. Direct communication with us will ensure the best possible experience, especially if any of your group has unique needs.

Delegating responsibilities before your program date will lighten the load on the group leader and help things run smoothly. **Allow plenty of time to collect all completed necessary medical/liability paperwork before your program date, assign duties, and go over the rules of conduct.** We are confident your experience of staying overnight on board an actual World War II submarine will be memorable!

*Welcome Aboard!*

## **About the Program**

The USS *Pampanito* is owned and operated by the San Francisco Maritime National Park Association. The Association is a non-profit organization dedicated to maritime preservation and education to enhance public understanding, appreciation, and enjoyment of our national maritime heritage. In addition to operating the USS *Pampanito*, the Association supports the San Francisco Maritime National Historical Park mission through educational living history programs, exhibits, publications, ship preservation, and interpretation on the Hyde Street Pier.

The USS *Pampanito* was designated a National Historic Landmark by the United States Department of the Interior in 1986.

Currently, the overnight program is open to school groups and scouting groups of age six and up (Boy Scouts, Cub Scouts, Girl Scouts, etc.) as well as other organizations (e.g., church or YMCA groups) that meet our insurance coverage requirements (see the section on required paperwork/contract).

### **AGE REQUIREMENTS:**

- Minimum age – 6 years old, with appropriate supervision.

### **PARTICIPATION LIMITS AND COST:**

- Group Size & Cost: (**MAXIMUM 35 PARTICIPANTS**)
- Friday-Sunday: \$1,250 flat fee for up to 25 participants, add \$50 per person for 26-35 participants (add \$6 per person if you desire a patch)
- Monday-Thursday nights: \$1,000 flat fee for up to 25 participants, \$35 per person for 26-35 participants (add \$6 per person if you desire a patch) – Limited weekday availability.
- We require an adult/child ratio 1:6 with a minimum of 7 adults. For groups with a majority of members from ages 6 – 8, we require an adult/child ratio of at least 1:3. If your organization has stricter requirements for overnight camping supervision, please adhere to your rules. (e.g., the Boy Scouts of America require a 1:1 ratio for Cub Scouts.)

### **PATCHES**

- Patches are available for purchase at \$6.00 per patch.
- Contact Laura DeFelice ([ldefelice@maritime.org](mailto:ldefelice@maritime.org)) to include large group patch purchases in the invoice for the entire group.
- **PAYMENTS IN FORM OF CHECK ONLY**

## **CANCELLATION AND DATE-CHANGE POLICY:**

- Changing the date of your program less than 60 days before the current program date will incur a \$100 date-change fee and immediate full payment of the rescheduled program.
- Changes with more than 60 days notice will not incur a penalty. Cancellation of a program less than 60 days before the program date will hold the group responsible for the total cost of the program minimum.
- Cancellation with more than 60 days notice will not require full payment of the program minimum but will still forfeit the non-refundable deposit. Notice of cancellation must be made and acknowledged in writing.
- Cancellation of a program due to inclement weather conditions or any other situations beyond the control of SFMNPA shall be mutually made between the group or school and the SFMNPA Education Director. Unilateral program cancellation by a group or school shall be billed accordingly.

## **YOU ARE REQUIRED TO FURNISH THE FOLLOWING:**

- A current, valid insurance certificate. If your group is a California Boy Scouts of America group, we may have a copy of your council office's Certificate of Insurance on file. Please call to verify.
- **(Important: The Certificate of Insurance should be \$1 million for bodily injury and property damage and list the San Francisco Maritime National Park Association as an additional insured.)**
- Complete Medical and Liability forms for ALL participants. These are included in this packet and are due on the day of the program.
- Signed acknowledgment of the Safety Procedures and Rules of Conduct. This form is also located in this packet and is due on the day of the program.
- A Hold Harmless form signed by the group leader. This is located on the last page of your contract and should be sent in by the contract due date.

**No group may board the vessel until all these forms have been received.** This manual provides more detailed information about our program and the forms. You are responsible for reading it in advance of your visit. If you have any questions, please feel free to contact:

**Education Director** Laura DeFelice (415) 561-6662 ext. 5 [ldfelice@maritime.org](mailto:ldfelice@maritime.org)

## TRIP PLANNING AND LOGISTICS

### WHAT TO BRING:

Each crew member is responsible for bringing their own sleeping bag and personal items. The bunks on board the submarine DO NOT have sheets or blankets. It is also recommended that you bring the following, but pack sparingly (remember, space is limited on a submarine!):

- Refillable water bottle (can also be used for cocoa)
- Warm jacket or layers (the sub is warm inside, but nights can be chilly on the pier)
- Pajamas and change of clothing (if desired) - it saves time if youth are already dressed in pajamas.
- Toiletries
- Flashlight
- Camera
- Cards, board games (checkers/chess and backgammon board painted on tables)
- **Important: Your group must bring its own first aid kit.**

### Contraband (items not allowed aboard the boat):

- Radios, portable CD players, iPods, etc.
- Handheld electronics/gaming devices
  - Cell phones are allowed, but please keep them silent or vibrate and refrain from using them during the guided tour. If it is necessary to use your phone during the overnight program, please be discreet, as it generally takes away from the experience of all on board when phones are ringing, and participants are not engaging in the tasks onboard.
  - **THERE ARE NO ELECTRICAL CHARGING OUTLETS AVAILABLE.**
  - No one should have any personal food. All food brought to the program should be collected at the beginning of the program. This helps us to prevent infestation and damage to this National Historic Landmark. No gum!
- Alcoholic beverages and smoking are not permitted.

The San Francisco Maritime National Park Association is not responsible for lost or stolen articles.

### FOOD:

**Please eat dinner before your arrival and plan to have breakfast after disembarking in the morning.** Please be advised that no cooking is allowed during this program. As stated above, no one may have any personal food; however, you may wish to bring a **group-wide snack for the evening and/or morning**. Snack and breakfast will occur in our Triangle Visitor Center Space on land.

When selecting foods to bring, consider the ease of preparation and clean up, as you will be responsible for any spills---bagels, donuts, juice boxes, and prepared sandwiches are ideal choices – please, no popcorn or trail mix type foods or gum. **Due to heightened nut allergies, avoid snacks with nuts (trail mix, peanut butter cookies, etc.).**

**You will also need to supply plates, napkins, and utensils.**

**Do NOT bring portable gas stoves, barbecue grills, etc.**

## **WE PROVIDE:**

- Cocoa, tea, and instant coffee
- Drinking water and urn for hot water
- Paper cups (BETTER to use your own), paper towels and items to clean up

## **SANITARY FACILITIES (HEADS):**

The heads onboard Pampanito are **non-functional**.

A single toilet inside the machine shop is accessible throughout the program. However, this can create a bottleneck if the entire group uses it all at once. It is recommended that the visiting group conduct a group head call at the Public Restrooms inside SHED A to the left of the Musee Mechanique door.

Ideally, this can be done before arrival, but Pampanito Education Staff will direct the group to the restrooms before the start of the program. During the night, youth must be chaperoned off the sub and use the head inside our office or machine shop.

## **CREW ROSTER:**

Once you have determined who will attend the Overnight Program, assemble a crew roster of participants. Print out the USS *PAMPANITO* CREW ROSTER & WATCH BILL found in this section and make additional copies if more space is needed.

## **BUNK ASSIGNMENTS:**

Bunks are available for sleeping in the Crew's berthing area (after Battery Compartment) and the Officers' Quarters (forward Battery Compartment). There are thirty-six (36) bunks in the Crew's Berthing area and twelve (12) in Officer's Quarters. **Bunks in the Torpedo Room ARE OFF LIMITS as they are unsafe for sitting/sleeping!**

We suggest that you make bunk assignments before arrival to avoid any confusion or disagreements when you arrive. The compartment layout forms (located in this section) can be used for making bunk assignments in advance. In the Crew's Quarters, bunks are in three tiers, so make assignments by listing names for the top, middle, and bottom. Officers' Quarter's berthing is slightly different but can be assigned similarly.

**At least three adult supervisors must sleep in the Crew's Quarters to oversee the group's members berthed there.**

For groups with male and female campers, you may designate either the Crew's Quarters or the Officer's Quarters for use by one gender only. Follow any specific rules your group or organization may have for this situation.

## WATCH AND DUTY ASSIGNMENTS:

Use the USS PAMPANITO OVERNIGHT CREW ROSTER & WATCH BILL form found at the back of this guide for making watch and duty assignments.

### Watch Assignments:

From 2400 through 0700, seven watch sections will be established. Each watch will last one hour. Watch personnel will consist of at least one adult and, if desired, one crewmember/Scout (crewmember participation is optional), depending on the group size. **At least one adult supervisor must be awake at night to assist crewmembers with any problems.** A logbook will be provided for watchstanders activities.

The watch list will consist of:

- Fire watch--- If there is any sign of smoke or fire, immediately notify an adult supervisor and the *Pampanito* staff on duty.
- Pick up any trash and wipe up liquid spills on the deck. Move any personal belongings that may be found in any of the passageways.
- Watching for any signs of running or dripping water on the boat---crewmembers should notify an adult supervisor who may alert the *Pampanito* staff if there is a problem. Likewise, if you see anything unusual or anything that doesn't look right, notify an adult supervisor or *Pampanito* staff.
- Making notes in the *Pampanito*'s logbook about routine duties performed or any interesting occurrences during your watch. Be sure to include times and complete descriptions.
- Crewmembers may also want to work on the Submarine Qualification Worksheets (if interested, please ask the instructor and they will be provided upon arrival) or perform any other tasks assigned by the group leaders.

### Duty Assignments:

Crewmember responsibilities should be assigned in advance of arrival onboard the USS *Pampanito*. Duties include:

- K.P. Duty---handling all aspects of food service planning, prep and cleanup
- Reveille---waking all crewmembers in the morning at pre-set time.
- Colors---raising the American flag on the conning tower (notify staff in advance if you would like to perform this duty)
- Clean-up---assign who is to clean which part of the ship before departure in the morning (see **Cleaning Responsibilities** in the following section)
- Other---delegate responsibilities dependent on your program's activities throughout the boat.

## **Cleaning Responsibilities:**

In general, adopting a “clean as you go” policy will lessen the cleaning you must do before your departure. Take care of any spills on the deck immediately to prevent tracking the mess throughout the boat. A trash can and trash bags will be provided for your use. Paper towels, sanitizer wipes, and hand sanitizer will be provided.

The following areas must be cleaned before departure:

### **Crew's Berthing**

- Trice up the lower bunks on their chains
- Sweep decks & pick up papers
- Check on and under all bunks for debris or forgotten personal property

### **Crew's Mess**

- Sweep decks
- Wipe down all tables, bench seats and countertops
- OUR STAFF will take care of the hot water urn and/or coffee in the am

### **Officers' Berthing**

- Sweep out all staterooms used.
- Sweep along passageway
- Sweep out wardroom
- Empty out any trash placed in the wall-mounted trash cans
- Wipe down countertops & table in the Wardroom

**BUNK ASSIGNMENT SHEETS. ---- CREW BUNKS (36)**

 assigned to sleep in each tier of  
 bunks on lines provided

## **TIMELINE OF ACTIVITES**

Below is a plan that provides a general framework for the evening's activities. As with the best-laid plans, sometimes things will not happen exactly as scheduled. For this reason, room for flexibility exists in this plan to accommodate the special circumstances that may arise with each group. **From time to time, our staff may also find it necessary to alter the time and sequence of activities.** The key word is *flexibility*; all times are approximate.

**Evening: WE WILL NOT PARK OR CHECK IN BEFORE 6:30 PM** – The crew needs time to clean the ship once it closes to daytime visitors.

**Meet our staff at the front gate- entrance to Pier 45. Vehicles parking can wait in front of [Musée Mécanique](#) until we are ready to assist with parking.**

6:30 – 7:30 : Group Arrival / Parking / Paperwork and Check-in / Group Head Call -

7:30 – 7:35 : Rules and Expectations

7:35 – 8:00 : 1<sup>st</sup> Rotation (Submarine Tour/Pier Tour)

8:00 – 8:10 : Head Call

8:10 – 8:35 : 2<sup>nd</sup> Rotation (Submarine Tour/Pier Tour)

8:35 – 8:45 : Head Call/Snack & Water Break/Submarine Set Up

8:45 – 9:10 : 1<sup>st</sup> Conning Tower Rotation (other half stows gear and relax in the Crew's Mess)

9:10 – 9:35 : 2<sup>nd</sup> Conning Tower Rotation (other half relax in the Crew's Mess)

9:35 – 9:50 : Fire Drill and Roll Call on Pier

9:50 – 10:00 : Group Leader taught how to use the light switches aboard

### **Nighttime:**

2300 Lights out; night watch established; begin watch activities

### **Morning:**

0700 Reveille. Dress; begin packing up gear and cleaning boat

0730 Pack gear off the boat; clean compartments as vacated

0800 Gear should be completely loaded off; staff does final inspection of cleaning job; posting colors (optional); group photograph

**Remember that this is a general framework—events may unfold at different times!**

## **SAFETY INFORMATION**

To ensure your safety, as well as the well-being of the historic submarine, we ask that you please review the following information with the members of your group before your arrival.

### **Safe Conduct:**

Please remember two important points about the USS *Pampanito*: First, *Pampanito* is a naval vessel which was intended to be operated by specially trained Navy personnel; Second, *Pampanito* is now a museum ship; both points dictate that safe conduct be exercised by each and every member of your group. Because of the design and construction of the submarine, special care must be taken while on board. Please adhere to the following:

- At least three adults must stay in the Crew's Berthing Area to supervise the group at any time.
- Do not block any passageways with personal gear, boxes, coolers, etc. Do not block any ladders to access hatches. Stow all your supplies safely out of the way.
- **Do not run while on board the submarine or on the pier.**
- Do not attempt to climb on the bridge deck without permission of staff.
- Step through watertight doors one leg at a time while holding on to the handgrip.
- Be aware of low overheads (low hanging equipment or fixtures) in the submarine---there are potential "head knockers" throughout the boat.
- Exercise caution when climbing in and out of bunks, particularly the top bunks. When in any of the upper bunks be mindful of equipment, pipes, valves, etc. which are mounted overhead.
- While topside, always remain on the special walkway. Do not go outside the wire rope barriers at any time, or out on the bow or stern of the boat. The metal and wooden portions of the deck are usually wet and can be very slippery.
- When going up or down ladders, hold on to handrails with both hands.
- Stay out of any areas of the boat which are secured by locks or screws or are otherwise marked as off limits.
- Do not attempt to operate any equipment, turn switches, open any control panels or otherwise disturb any equipment on the submarine.
- Do not use any pots, pans, dishes, flatware, utensils, or any other galley equipment found on the submarine.
- Do not bring your own appliances for use on board (such as a coffee maker, hot plate.) We have hot water available.

### **Safety Equipment:**

- Telephone: a landline is in pier office.
- First Aid Kit: each group is required to bring their own First Aid Kit; however, we do have a kit located in the office on the pier for emergency use.
- Eye Wash Station: next to the building entrance.
- Life Rings: located on the pier and on the main deck of the submarine.
- Boat Hooks: located against wall in work area behind gangway.
- Life Jackets: on top of the Eye Wash Station.

**Personal Health:**

The submarine is an enclosed space; we ask all participants to Stay Home if they are not feeling well, have flu-like symptoms, or have been exposed to COVID-19, or are recovering from illness within the last 10 days. .

If someone becomes ill on the trip, they will be isolated from the group as best as possible and be sent home. The staff on duty have the right to send a group home if any participant arrives and is visibly ill; the Education Director will be immediately notified.

Please adhere to your organization's covid/sick policies.

The submarine does move around and is not suitable sleeping environment for anyone that suffers from extreme motion sickness. Medicine like Dramamine can help with minor symptoms, if you must take it the non-drowsy version is recommended.

## Fire Emergency Procedure:

Smoke detectors are in the sleeping quarters. If an alarm sounds, please follow the protocol below:

- Exit the boat in a quick and orderly manner---no pushing and shoving---moving in the opposite direction of any smoke towards one of the marked exits.
- Do not close any watertight doors on the submarine.
- Inform staff immediately and call 911.

## Emergency Phone Numbers:

- Ambulance/Fire/Rescue/Police: 911
- Local Police dispatch (emergency): (415) 553-8090
- Police (non-emergency): (415) 553-0123 or (415) 553-1532
- Poison Control: (415) 476-6600
- If someone needs to reach a participant staying onboard the *Pampanito* and does not have a phone contact for any of the attending adults, they may call the *Pampanito* office at (415) 775-1943.

## USS *PAMPANITO* Emergency Evacuation Plan:

In the event of an emergency, it may become necessary to evacuate the submarine. Staff will conduct an evacuation drill with your group to make certain everyone understands what steps to take. The diagram below shows the three main access points into and out of the submarine.

Exit the submarine through one of the following access ways:

## Remember:

- Move in the opposite direction of any hazard.
- Use flashlights if necessary.
- Do not push or shove on your way out; walk in single file.
- Do not close any watertight doors.
- If access to both main exits (After Torpedo Room and Forward Torpedo Room) is blocked, you may use the ladder in the Crew's Mess (push aside grate at top of ladder).
- The first person out should notify staff of the problem immediately and/or call 911 if necessary.
- The rest of the group should line up on the pier and the group leader should take a head count.
- Remain lined up on the pier and await further instructions from staff/emergency personnel.

## USS PAMPANITO SAFETY CHECKLIST & RULES OF CONDUCT

To ensure a safe and pleasant visit, all USS Pampanito Overnight Encampment / Science School participants are required to abide by the following rules. Group Leaders should distribute this list to the group prior to arrival or reading aloud to the group when assembled at USS Pampanito. Group Leaders are required to initial next to each of the numbered rule after reading and understanding during Check-In with USS Pampanito Education Staff. A completed and signed Acknowledgement of Rules of Conduct Form is required for all adults over 18 that will be present during your program.

**Remember: Discipline & Enforcement of the rules is the responsibility of ALL ADULT CHAPERONES.**

1. Treat each other with respect aboard USS Pampanito or on Pier 45. No running or horseplay on the submarine or on the pier.
2. Adult supervision of the Overnight Encampment group is required at all times. Minors must always be accompanied by an adult onboard USS Pampanito or while walking on Pier 45.
3. **Adult/Youth ratios are at a minimum 1:6.** Please follow your own organization's ratios if they are stricter than USS Pampanito's Adult/Youth ratio.
4. Once the program begins, there are no "In and Out" privileges. The gates are locked when USS Pampanito closes to the public for the group's safety during the night. Any participant who leaves during the night cannot return at any point.
5. Food is to be consumed only in Triangle Space or on Pier 45; this is to prevent vermin aboard the historic vessel. No cooking is permitted onboard or on the pier. No nuts with shells (sunflower, pistachio) or nut-based food.
6. Nightwatch is mandatory for adult chaperones (participation for minors is encouraged but not required). There is to be at least one adult awake from 10:30 pm to 7:00 am to ensure the group's safety during the night. Please see the Overnight Encampment Manual for more details.
7. Contraband is not permitted onboard the submarine or on the pier. Participants possessing contraband items will be asked to leave the premises immediately. Contraband is defined as:
  - a. Alcohol & Tobacco & Electronic Vaporizers ----- Gum, and Candy
  - b. Radios, portable audio devices, handheld game devices, laptop computers, or tablets.
  - c. Firearms, knives, or self-defense devices like tasers or pepper spray.
8. Do not enter restricted areas without the permission and presence of USS Pampanito Staff. Do not climb ladders or enter topside areas such as the gun deck or lookout platforms.
9. Do not operate equipment or turn valves, switches, or handles. **Everything onboard USS Pampanito is a National Historic Landmark and must be treated with respect.**
10. Participants must wear closed-toe shoes at all times **unless in an assigned bunk.**
11. Sleep only in the designated areas and on designated bunks (found in the Overnight Encampment Manual). Enlisted Crew's Berthing Area has 36 bunks, and Officer's Quarters has 12 bunks. At least three adults MUST sleep in the Enlisted Crew's Berthing Areas. Do not use the Torpedo Room bunks or other compartments for sleeping.
12. Group Leaders are responsible for the completion of paperwork prior to arrival. USS Pampanito Education Staff will complete a brief Check-In prior to the beginning of program and collect the group's paperwork.
13. USS Pampanito Staff are in charge during your program and may issue special instructions not specifically listed here. Participants are to follow their directions at all times.

## ACKNOWLEDGEMENT OF USS PAMPANITO RULES OF CONDUCT

→ (To be signed by all adult participants age 18 and over) ←

The undersigned acknowledges the Safety Checklist & Rules of Conduct for Overnight Encampment Groups. I have read these rules and agree to abide by them. I also certify that all participants under the age of 18 have been informed of these rules, and I agree to be responsible for the enforcement of the rules and ensure all participants follow them. Furthermore, I understand that anyone violating these rules may be directed to depart USS Pampanito and Pier 45.

**SAN FRANCISCO MARITIME NATIONAL PARK ASSOCIATION  
PARTICIPATION AGREEMENT, ASSUMPTION OF RISK, AND LIABILITY WAIVER**

All participants in activity programs of the San Francisco Maritime National Park Association (the "Association") must agree to the provisions below. These programs may include boating and other potentially hazardous activities, all at the sole risk of participants.

In consideration of my or my child's participation in Association programs, now or in the future, I agree on behalf of myself and my child to assume all risks of accident, injury (including death), or illness arising out of or in connection with participation in those programs. I further agree on behalf of myself and my child to forever waive and release all claims and causes of action against the Association (including its officers, trustees, employees, and agents) and the National Park Service, a Bureau of the U.S. Department of the Interior (including its officers, employees, and agents), for any and all liabilities for injury (including death), illness, or damages arising out of or in connection with participation in those programs. This risk and liability waiver assumption shall bind the members of the Participant's family and the Participant's heirs, personal representatives, and assigns.

I understand that this is the sole and exclusive agreement with the Association regarding the assumption of risk and liability waiver, that this agreement supersedes all prior or subsequent discussions, representations, or agreements about those subjects, and that this agreement may be modified or waived only by a writing signed by an officer of the Association that makes specific reference to this agreement.

**Print Participant's Name:** \_\_\_\_\_

**DATE:** \_\_\_\_\_

**Signature of Parent or Legal Guardian (if Participant is less than 18 years old), on my own behalf and for Participant:**

\_\_\_\_\_

**Signature of Participant if OVER the Age of 18:** \_\_\_\_\_

**SAN FRANCISCO MARITIME NATIONAL PARK ASSOCIATION MEDIA RELEASE**

For the purposes of fundraising and public awareness, the San Francisco Maritime National Park Association uses photographs and videos of the program in action. These materials may be published in print or made available on our website. Such publications are a vital part of our fundraising efforts. Your child's image may appear in photos or videos taken by the adult chaperones or our official photographers. We are sensitive to privacy issues, so specific participants' names and school addresses will not be disclosed. I grant permission for my child's image to be used in print publications produced by either the San Francisco Maritime National Park Association or San Francisco Maritime National Historical Park. I grant permission for my child's image to be used in e-mail updates or the website produced by either the San Francisco Maritime National Park Association or the San Francisco Maritime National Historical Park.

**Signature of Participant if OVER the Age of 18:** \_\_\_\_\_

## USS PAMPANITO MAP & DIRECTIONS

### **From the Golden Gate Bridge (North Bay):**

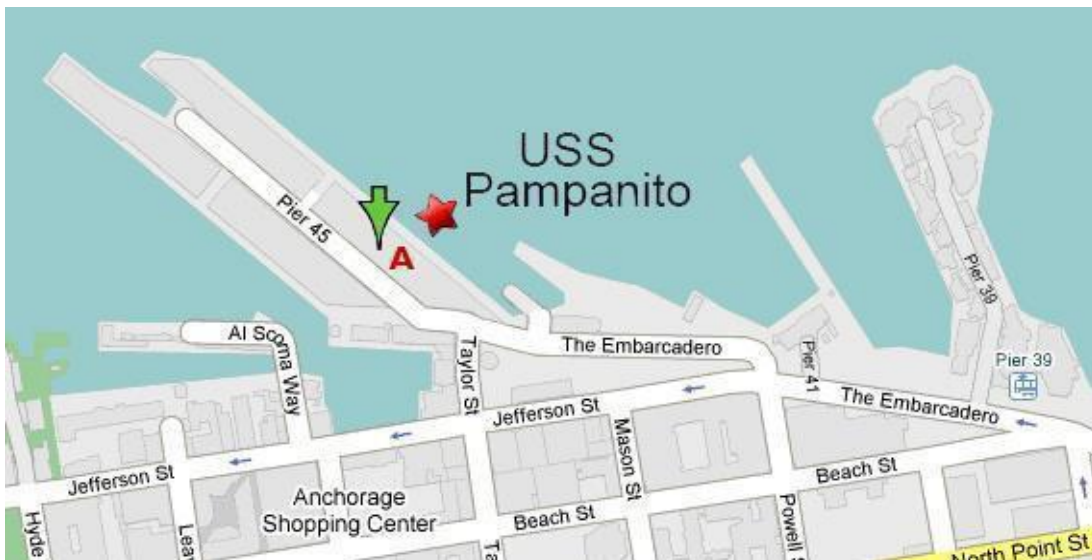

- Coming off the bridge, bear left and look for the Marina off ramp
- Follow Marina Blvd. along the waterfront; it will curve around Safeway, onto Laguna St and up to Bay St
- Turn left on Bay St. and proceed to Taylor St (about 10 blocks)
- Turn left on Taylor St. and go 4 blocks
- Pier 45 and the Pampanito will be directly in front of you, at the foot of Taylor St
- 

### **From Interstate 80/Bay Bridge (East Bay):**

- From West 80/Bay Bridge, take the Fremont/Folsom exit, (very first exit on the right)
- Stay to the right towards Folsom, then turn left onto Folsom.
- Continue on Folsom until it hits the waterfront at Embarcadero; Turn left onto Embarcadero
- Follow Embarcadero around the city waterfront all the way to the Fisherman's Wharf area
- Turn right at Taylor St
- Pier 45 and the Pampanito are at the foot of Taylor St

### **From Highway 101 (Peninsula):**

- Follow Highway 101 up to the split with Interstate 80.
- Bear right onto route 80 towards the Bay Bridge.
- Take the Fourth St./Bryant St. exit---this is the **very last** San Francisco exit, so don't miss it!
- Bear left onto Bryant St. and follow it all the way to Embarcadero (about 6 blocks)
- Turn left onto Embarcadero and continue around the city waterfront until you reach the Wharf area
- Turn right on Taylor St
- Pier 45 and the Pampanito are at the foot of Taylor St

## USS PAMPANITO OVERNIGHT PROGRAM PARKING GUIDE

There have been lots of changes since your last visit; we **no longer have access to parking spaces near or on Pier 45. WE HAVE TWO RESERVED PARKING SPACES inside SHED A** - All other vehicles must find and pay for overnight public parking in nearby garages after dropping off gear.

The vehicle parking in Shed A will pull up to the curb in front of Musee Mechinque and wait for staff to provide parking instructions. This vehicle should host most of the gear. **NO HIGH CLEARANCE VEHICLES ALLOWED** AND may be asked to move at the discretion of the staff on duty.

Our recommendation is to reserve using [SPOTHERO](#) to any of the listed Garages. We are not responsible for theft or break-ins that may occur while parked in garages. Break-ins and theft are common anywhere in San Francisco, so bring all valuables aboard the ship with you. Do not leave anything visible in your vehicle.
